In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. DOMINION ORDERS IN COUNCIL.

Ref. 26,934.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Monday, the 3rd day of August, 1908.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS the licences granted for timber berths, under the timber regulations, provide that the licence shall be subject to the right of the Crown to deal, in accordance with the provisions of the Dominion Lands Act and the regulations made under it by the Governor-General in Council with any and all coal, stone and other minerals found within the limits of the berth licensed, and to grant the right to enter upon the berth and take possession of lands for mining purposes;

And whereas representations have been made by the holders of timber licences that the granting of such rights may, if not carefully safeguarded endanger the timber on the berth by fire,—

Therefore, His Excellency the Governor-General in Council is pleased to order, and it is hereby ordered, that any permit or lease granted under the regulations relating to mining, which affects lands within the limits of a timber berth, be subject to the following conditions:—

(1.) That the permittee or lessee will observe all the provisions of any Act of the Dominion, or of any Province, for the protection of forests from fire which is in force in the district in which the lands are situated and will use every effort to prevent the starting or spread of fire from its operations.

(2.) That he will do no unnecessary damage to timber and that where any trees are cut by him he will carefully clear the ground of all tops and branches and other debris of such cutting, and will so dispose of them as to prevent danger from fire. If it is necessary to burn such debris in order to so dispose of it the lessee shall select a time when there is least danger of the spread of fire, shall carefully gather such debris into heaps, shall thoroughly clear and prepare as a fire guard, either by saturating it with water, breaking up the surface thereof or other effective means, a strip of at least twenty feet in width around each heap, and shall during the whole period of the continuance of such fire, cause it to be guarded by three adult persons provided with proper appliances for extinguishing fire.

(3.) That he shall clear and shall at all times keep clear of inflammable material a space of at least sixty feet in width surrounding his works and operations.

(4.) That any engine operated by the power of steam used by him in connection with his works or operations shall be fitted with efficient spark arresters which shall at all times be kept in a good state of repair.

(5.) That he will ensure that the provisions of such Acts for the protection of forests from fires as are in force in the district and the conditions of his lease or permit in relation to the prevention of fires shall be read over and explained to all the men employed by him in connection with his works or operations within the limits of the timber berth and that he will be responsible for any breach of the said provisions or conditions committed by any of his employees as if such breach had been committed by himself, unless he establishes that the provisions of this clause have been complied with and that such breach was committed without his knowledge and contrary to his instructions.

(6.) That for the due observance of the conditions mentioned the lessee or permittee shall be bound in such sum as may be fixed by the Minister of the Interior, which sum shall be payable to the said Minister of the Interior in case of any breach of such conditions being committed by him.

RODOLPHE BOUDREAU,

oc1 Clerk of the Privy Council.

[Ref. 557,784.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of September, 1908.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

ON a Report dated 21st August, 1908, from the Minister of the Interior, submitting that grazing leases heretofore granted covering Dominion Lands in the Railway Belt in the Province of British Columbia, provide that the whole or any portion of the leaseholds shall be open to homestead entry, pre-emption entry and purchase.

The Minister states that it has been represented that certain tracts of land held under lease are not suitable for agricultural purposes and that stockmen are being seriously inconvenienced by settlers within their leaseholds leaving gates open and fences down.

The Minister, therefore, with a view to overcoming this difficulty and furnishing reasonable protection to the ranchmen, recommends that, with the concurrence of the lessee, he be authorised to cancel the lease or leases now in existence of such leaseholds as have been inspected by an officer of the Department of the Interior, and to grant a new lease for such portions thereof as are reported by such officer to be unoccupied and unsuitable for agricultural purposes, for such term as is proper under the circumstances, and containing with the

exception of the condition numbered 8 in the form of lease now in existence all the provisos, terms and conditions contained in such form, and also containing a proviso for its cancellation, either in whole or in part, upon two years' notice in writing to the lessee by the lessor; the term of the new lease and so much of the term of the lease now in existence as will have expired at the cancellation thereof not to exceed in the whole twenty-one years.

The Minister further recommends, that the following condition be inserted in the new form of lease in lieu of the condition numbered 8 in the form of lease now in existence:—

"Should the Minister of the Interior at any time during the term of the lease think it to be in the public interest to withdraw the lands herein described, or any portion thereof, or to cancel the lease for any reason, he may, on giving the lessee two years' notice, withdraw such lands or cancel the lease."

Also, as it is intended that the Order in Council now asked to be passed in accordance with the foregoing recommendations is to replace the Order in Council of the 8th August, 1908, the Minister recommends that such Order of the 8th August, 1908, be rescinded.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

oc22 Clerk of the Privy Council.
